

Please OPPOSE SB16 and HB5416

Please SUPPORT the following bills: SB388, HB5414 and HB5412

To the Judiciary Committee,

SB16 and HB5416 have nothing to do with stopping juvenile crime. We need to enforce the laws already on the books, start prosecuting juveniles that commit felonies and violent crimes as adults and keep the criminals behind bars and off our streets. Stop targeting law abiding citizens right to defend themselves, their families and their property.

Please oppose SB16 and HB5416 and support SB388, HB5415 and HB5412.

Respectfully,

Alton Blodgett
